

**JSOCC RECERTIFICATION COURSE**  
**Course Description**

**RECERTIFICATION COURSE**

**The purpose of the Recertification Course** is to engage instructors in a process that demonstrates their understanding of the teen brain; and, applies the first law of psychology that *you get more of what you reinforce*.

**Instructors will learn how to successfully** build relationships and make meaningful connections for instructor and cadet learning by-

- Understanding, integrating and applying six learning strategies to curriculum content using the four phase lesson plan
- Utilizing tools to better know self and cadets as learners
- Increasing the use of various Intellilearn teaching skills, tactics and strategies
- Demonstrates familiarity with the eight core competencies on the coaching rubrics as exhibited through model lessons, feedback and reflections
- Fostering a positive school environment
